CAMPING SKILLS – DAY 5

Planning Information	
Subject (Presenter):	Camping Skills – Day 5
Objectives:	• Winter Camping • Camp Gadgets • Lashing: Tripod, Round, Floor
Materials:	• Rope and two staves for each pair of participants (for lashing) • handouts for Each Participant
Presentation	
Learning Objectives: At the end of this presentation, each participant should be able to:	1. Know how to camp in the winter safely and enjoy it! 2. Know how to lash and when to use the Square, Sheer, and Diagonal Lashes
Discovery:	1. Before showing how to lash; have anyone who knows demonstrate it to the others
Teaching-Learning:	Camp Gadgets Winter Camping Misconceptions about Winter Camping Planning for Winter Camping Footwear, Mittens, Headgear, Parka Food Liquids Toting your Gear Making Camp A Winter Sleeping System Shelters Snow Structures Winter camping hints Lashing – **Know uses and Demo how to tie** Tripod Lashing Round Lashing Floor Lashing
Application:	1. Practice lashing the staves – check that the knots and lashes are tied correctly and tight
Evaluation:	1. Winter Activities Quiz (BSA Camping Sparklers, p 37-39) Check that the lashes are properly tied and everyone knows when and why to use them
Summary:	Winter camping can be just a much (if not more) fun as camping the other 3 seasons!
